

Hello, Prayer Warriors! We have made it back safely to the USA.

We finished up our term in Lima on June 29. As soon as Brian returned from his trip to the Chancay River Valley with the Grace Kentucky team, we started packing and cleaning. We had to move our things over to a storage area close to where we'll live when we return to Peru. Currently, the house that we will move into is being renovated.

We lived without furniture for about a week, and even slept on the floor one night. Then, we lived in a hotel for almost a week. Living out of a suitcase wasn't that thrilling. Before we headed to USA, we had to put our winter clothes into storage, because we knew that we wouldn't need them in the Mississippi heat.

Skylar and Sydney finished up their schooling on June 24th. We had many doctors' appointments, blood tests, and immunizations to get done before we left.

In the meanwhile, we were spending some last minutes with our sweet

Peruvian friends. It was fun to hang out, disciple, and just love on them.

During one of these times, we attended a concert with the church we attend, and Pastor Daniel invited Brian to help baptize the 10 new believers who signed up. Last month, we mentioned to you about Freddy, who professed his faith in Christ after one of the Bible studies. As the baptisms were finished, Brian and Daniel asked if there were any more, and seconds later, Freddy headed to the stage where they were performing the baptisms. It was definitely a God-moment. One has to remember it is winter in Lima, and there is no heating. He went in the clothes he had on. Thankfully, clothes were rounded up for him, but most importantly, he spontaneously stepped forward and publicly professed his faith in Christ!

Although we have completed one term, maybe it would be better to say that we've only BEGUN this new journey for HIM. We are thankful for every step of our

past term, even though there were good, difficult, and even painful times along the way. We know His plan is perfect, and that He is teaching and growing us as we take those steps forward. We are excited to see what He has in store for Peru and for us in the future. We can definitely say that He has put a love for Peru and Peruvians in our hearts.

As the month ended, we headed to the States at 12:40 AM, on June 30 and arrived early afternoon. The trip was safe, smooth, and uneventful. Although we already miss our friends and family, it IS good to see our family and friends here.

We appreciate your prayers. Please continue to lift us up as we make transitions, fellowship with our family and friends, and for our family and friends back in Peru. Your prayers mean so very much to us. It overwhelms us with appreciation that you love on us and tell us that you are praying for us! God bless you! ~The Henderson's
