

Hello, fellow prayer warriors! Although we have just now gotten accustomed to the humid Mississippi heat, it is now time for our return to a cool, wintery gray Lima for our next step of the journey for HIM. We have spent the past two months enjoying our time with family and friends, building a storage building and moving our few things to it onto a new plot of ground, and speaking about what God is doing in Peru with numerous groups.

At first, we had to finish up medical appointments to submit for medical clearance. Thankfully, everything was cleared about a week ago, and our tickets were purchased only days ago!

We enjoyed accepting invitations to visit, fellowship, and speak with the following groups: M4 Camps, Pleasant Hill women's group, Turner Duvall, Midway's Youth VBS, Bexley, ABC's M & M group, Grace, ABC's women's group, MGCCC-JC's BSU, Lucedale's Iglesia Bautista, and ABC. In addition, we

met on several occasions with team leaders from the George Greene Baptist Association reviewing strategy plans and upcoming projects.

We took the opportunity to enjoy a brief family vacation in Tennessee on our return descent from speaking with Grace Baptist in Kentucky, which is a team that we work with who has adopted several villages in Peru.

As we are now busily saying our "See you later's" and finishing the daunting task of packing, weighing, and repacking, we are looking forward to the next step of the journey that He has prepared for us to do for HIM. We know that the next month will be full of transitions and lots of things to get accomplished. We thank you in advance for your prayers for us, our families here in the U.S.A., the REAP North team of M's and M./interpreters, and the students and villagers who will be hearing the gospel (some for the first time!).

May God bless you!
