

THIS DOCUMENT WAS SENT TO ALL MS AMD'S TO PASS ALONG FOR INFORMATION---I HOPE IT HELPS>

Fellow AMDs. Slater Murphy asked if I could send this out to you. I called to ask a question on this subject, and below is what I sent out to our Pastors and Church Leaders:

FaceBook Video Streaming of Messages and Worship (YouTube also). Brother Danny Smith ,(FBC Tunica) asked me (Hank) about **LowPower FM Transmission** (No License needed for LPFM) for parking lot streaming and nearby - **As It Concerns LICENSING of MUSIC in Streaming (recorded or live)**.

I called **Slater Murphy of the MBCB** this (Monday) morning, and before I could get around to "FM", we got onto the subject of FaceBook (FB) and YouTube (YT) both live and recorded streaming.

Most of our churches have (probably digitally) a personal **CCLI license**. (Those with TV ministries have a more complex agreement that someone has signed in the past, or is/was included when they signed on to the local cable/radio network.)

The right to use Hymnal Music has been granted; **HOWEVER, IF and WHEN FaceBook/YouTube STREAMING, a Different CCLI License IS needed**.

There are three basic CCLI License for Music:

- 1. Normal license for use of hymnal music.**
- 2. IF Live or recorded Streaming: A Second license is needed for STREAMING (not difficult or complex, but needed) This applies to FB, YT and individual Church Website Streaming/Recordings.**
- 3. IF CD TRACKS are used for the background (Solo or Choir), a Third CCLI license is needed if FB or other streaming or on YouTube.** This license is a little more complex.

Here are a couple of links that Slater sent to me:

<https://resourcingworship.com>

Go to the right side and scroll about 1/3 of the way down and look under "CATEGORIES" for:

- A. "Copyright"
- B. "Streaming"

Look at and read both.

Low Power FM Transmission, Bro. Slater said that no special license needed. But here is a VIMEO link on using FM parking lot and nearby:

["https://player.vimeo.com/video/402416889"](https://player.vimeo.com/video/402416889)

I wanted to pass this on to my fellow AMDs,. I don't know if I have everyone's email or not, but I hope it gets out to you. A SPECIAL Thanks to Slater Murphy for his help with this.

God bless you all,

Hank Lee
